From the Prez

2008 was a good year for the Dots. When our probates come on board (providing they meet club approval) we will be up to 30 active members even with Dave Debold's retirement and Brent's resigning during the year. I think if we can get the active membership up to 35 or 40 we may even have enough members to put on an event! Ha Ha

Bruce has everything under control for the upcoming PCGP and I'm looking forward to a four day, three night camping trip to sunny Prairie City in a couple weeks. Let's keep the fingers crossed about the sunny thing.

Mike also has the banquet under control at the Sudswerks in Folsom. If you haven't given him your food choice you may be eating whatever they decide. I'll never forget the fish at the Buggy Whip a few years ago!

See you at the PCGP!

I submitted comments to the Tahoe NF Travel Management DEIS. The Plumas NF has released their Travel Management DEIS, and the comment period runs until 2/11/09.

December Ride Report

We had another outstanding Doorbell in December with a great turnout of 22 Dots riding and 2 or 3 fire watchers (pitters?) in attendance. Dwayne took the overall on a borrowed 100! I sure hope the little girl that he borrowed it from doesn't find out what he was doing on it. Bret took the 250 class and Doorbell virgin Mark Tustin claimed the Open class victory. The course was laid out in Frank and Larry's usually trickery as veteran Vern missed checks 1 and 2 completely. Joe was so lost he had is campfire wood gathered along with a fire ring and lean-to ready for a cold night on the trail. Luckily for Woodsman Joe, the sweepers found him just before he put his jammies on. Sure was fun and I can't wait for next year's event

Check out the picture from the riders meeting. Can you believe some people weren't on their bikes with their goggles on waiting for the shotgun to go off? Rookies!
