## From the Prez

We're in the middle of our Spring racing season and one of our newest members, Frank Leonardi is making an early run for 1X. With his recent finishes at E-Street and the Quicksilver, he will probably be advanced to B in both disciplines by the mid-way point of the season. Last year's runner up Cliff, is going for it again but had a tough time those races, not earning many points. Our other racers haven't let up from last year either as we've had good turnouts at Thunderhill and E-Street cross country races and at the Quicksilver National enduro too. Let's not forget our pitters either with good turnouts at Thunderhill and E-Street. With the weather turning we should have some ideal conditions at the March and April events. 49er Family chairman Bob Balunda is in the initial planning stages of the event. We have the green light from the Forest Service so let him know early if you want to work checks, signups or course. Our Nevada Rally chairman Bill Fain is nailing down the weekend at this month's meeting. He also will be lining up the other eating establishment at the other end of town this year. As soon as the date is out, remember to get your room reservations in early.

See you at the races!

## On the LAO Front

Foresthill's Winter Closure became effective as of 2/22. There is a Forest Service public meeting scheduled on March 15th to discuss how the motorized use of saturated soils can be best managed in the future in accordance with required mandates and laws. The location is to be announced. Contact Curt for more information.
