If I missed you
let me know!

From the Prez

We lost a good friend and fellow club member Al Waters in October. Al was an active member of the club during the 80's, a two time past president and also a 7x and Activity award winner. As a retired member he was always there to help the club up to his illness at the last couple events. At the PCGP, you could always count on seeing Al and his trusty old RMX teaming up with Charley to work the rock pile loop, rain or shine. We're going to miss you Al!

The 49er was a success! We were finally able to run the 49er after being stopped the last three years due to no rain in 03, too much rain (snow at the upper elevations) in 04 and the dreaded categorical exclusions last year. While the dust kept most of the riders away (we only had 113 riders officially leave the starting line), those that showed up were treated to 90 actual ground miles of a true enduro. Wayne is working on a 5 year permit and I hear that Curt is taking on the Trail Boss position for 07 and is already working on a new course layout returning to the Duncan Corral area.

Coming up on the horizon we have club elections during the December meeting, the 2007 Doorbell on Saturday December 30th, the PCGP over the Jan 13th and 14th weekend and Dan has the bus chartered for the San Francisco Supercross on the 27th January.
