From the Prez

Hello fellow Dots! Quite a bit of controversy at February's meeting concerning the Ride of the Month voting for March! The Wild Piglet won out and will be fun, trust me! We'll have a nice campout Friday night and a challenging ride the next day with lots of razzing at the resets.

Resurrecting the Ride of the Month is already spurring on better turnouts than we have seen in a number of years as evident at this years Doorbell and February's Ride of the Month at E-Street. It will be just a formality, but what I think what will be April's Ride of the Month, the Virginia City GP, already has 16 active, retired and probates members signed up!

We're also seeing a new challenger for 1X this year! Dave Debold has the early lead after E-Street and padded that lead by going to Mustang Hare Scrambles with Cliff.

In the membership department we're getting our numbers up for 2006 with new members Bob, Jim, Bruce and Ken recently becoming active members and Curt, Ryan, Jim A and Ernie currently on probation. Welcome aboard and we look forward to racing, riding, and having fun working events with you!

On the LAO Front

Big Bob and crew of 18 helpers participated in a trail maintenance work day at Georgetown on the 11th of February. Refreshments, snacks and tools were provided along with direction by the Forest Service. Repairs and water bars were added to Trail 1. Thanks to Bob for representing the club at this valuable work day!

Our other LAO guy Ken Heuser reports that there will be a 16-race Flat Track TT Series at 3 new tracks in Northern Nevada. This new series will start on March 25th and run until October 21st at Thunderbowl (Carson City), Rattlesnake (Fallon) and Hawthorne tracks. They have all classes including Class C, knobby and quad. We might have to take a road ride out there and pit for the Head Chicken this summer!

Ride Report

Eight members including Probates braved the sand and whoops at the new Cross Country race on the schedule ran at Marysville's infamous E-Street location. We faced a claimed 6 miles of sand and more sand with lap times in the 12-minute range. One of our newest members, Gentleman Jim Piatt took the win in what else, but the C Gentleman's Class. The fastest Polka Dot lap times were put in by our newest probate at the time, Ryan Mushrush in the 250B class while the rest of us (Larry, Bret, Cliff, Dave D, Steve and Bruce) fit somewhere else in the results. We had to pit with the Diggers as our Easy-Up was used for trophy handout from the PCGP but it wasn't all bad. They had plenty of pitters (Frank and gang) to help us if needed. The best part of this race was seeing the checkers and not having a long drive home afterward!

Our cross country stars Dave D and Cliff were at it again last weekend at the Mustang Hare Scrambles in Nevada. They made the drive over the hill and endured 38 mile loops of loose rocks, embedded rocks and more rocks! Cliff finished in the top third in the Senior C class while Dave was in the upper half of the Vet C and earned some valuable 1X points!

Here's our 1X leader Dave in attack mode at E-Street:
