The 2010 49er Family Enduro was a big success with no major issues. We had approximately 250 riders enter the race and around 235 started the event. The riding conditions were good with only a little dust in the afternoon. The club member turnout was good enough but 30 percent of the active members did not show up. Curt has a few lingering paper work issues to work out before the event is completely wrapped up.

As the dust clears from the June 12<sup>th</sup> and 13<sup>th</sup> Austin ride we discovered several things. The Austin ride went well for all who attended and I think I can say everyone had a good time. First off, we found Andy Rewinkle knows how to climb hills as he took top honors for being the only one to make it to the top (large hill climb on the second day of the Austin ride). Secondly we discovered that the Big H has a higher top speed than any other bike in attendance including the orange 530s and the Red 650. I know there are a few that will blow their lid on that second discovery and one can explain it away but the fact remains the same. We now know that your president should not drink at the bars Saturday night if he wants a pleasant ride back to the truck on the second day. We now know that Steve DeMartin needs to go on a gear binge and drop 100lbs of gear. If Steve is successful with his binge the big 650 just might be able to site atop the mountain with the Big H. We also know that your former president has started first step of a 12 step "orange" recovery program by admitting that his orange 530 did not have the horse power to keep up with the Big H.

Austin Ride Quotes:

**Pass these F'ers** – Andy Rewinkle (yelling at your president all day);

**I take full responsibility** – Mark Tustin (at least someone is taking responsibility);

**Hay Mark, do you want to know the Altitude at**

**the top?** – Andy Rewinkle (top hill climber);

**Let's get Fallon wasted since I am not riding tomorrow** - Chris Worth

**I can't catch him because I don't have the speed and horse power** – Bret Eckert;

**Guys, I have too much gear, I need to have a gear sale** – Steve DeMartin

### June ROM KB Moto

1<sup>st</sup> Lyman

2<sup>nd</sup> Desrosiers

3<sup>rd</sup> Leonardi

5<sup>th</sup> Tucker

6<sup>th</sup> Eckert

7<sup>th</sup> Solis

Conner 18<sup>th</sup> 80cc Class

Our first KB ROM of the summer was June 25<sup>th</sup>. We had a good turn out with 6 dots racing, one former dot and five dots pitting. Brent Lyman took the overall with a first place in both moto's. The second moto had a

photo-finish ending with Lyman just overcoming Desrosiers at the checkered flag. Desrosiers ended up on the ground just after the finish jump....I am not sure but, Lyman might have kicked Desrosiers as he passed him in the air.

## LAO News

### Trail adoption:

Mike Stroude still hasn't opened the gate to the Long Valley trail. He will let me know when he can get into the trail. Mike did provide me with an example of the signs that will be placed at the both ends of the trail. We will also have two extra signs. The signs will be provided at no cost to the club Mike will use OHV funds. I will be sending Mike a volunteer agreement and need a list of names to complete the form. I'll ask for names at the next meeting.
