May Days

We are a little late getting the Newsletter out this month, with the Family and the Fools Gold at the beginning of June it delayed things.

49er Family Enduro

The event went off smoothly thanks to our event chairman Bob Balunda. Good job Bob! The weather was nice and warm and we had 253 paid riders with 228 finishing the event. We had a baptism of fire with the Timekeepers computerized scoring system and although there were a few glitches it has been deemed the way of the future for scoring our enduros. Check the website for pictures and the article in the up coming District 36 newsletter.

Art Meis

At the June meeting we learned of the terrible tragedy that befell our long time retired member Art Meis. Our hearts and prayers go out to his friends and family in their time of need.

July Meeting

By vote of the membership the July meeting will be moved up and in conjunction with 49er Family Pizza Party on the 19th at Round Table Pizza at 1151 Riley in Folsom, 7pm.

New Probates

Welcome aboard, well at least to probation Gino Piccardo and Jeff Stillman! Gino took 2nd place in his first ever enduro at the Fools Gold last weekend. We are hoping that Jeff will make a nice addition to our MX arsenal when we go up against the Diggers in the fall.

On the LAO Front

El Dorado National Forest Route Designation

We could use some input to the newsletter from our LAO guys. Curt participated earlier in the month during the El Dorado Forest Route designation conference call. Anthony V. Scardina, the acting district ranger and former project leader is leaving for another forest. He is being replaced by Jason Nedlo who will be the new team leader. The Draft Environmental Impact Statement (DEIS) had not been released as of the call.

California Senate Bill SB742

The bill passed in the State Senate and is now moving to the Assembly.
