Beware the month March, if you are planning to attend all the D36 races in the month of March you will be busy, your wallet will be thinner, your wife might wonder where you are, but you will be in a damn good mood. The month of March is a busy one for racing. There is a D36 race every weekend with the Ride of the Month (ROM) on March 20th/21st in Hollister. However, the 2010 1x race will be underway before the March races and anyone who can finish all that racing will certainly be in a good position going into the spring season.

February produced some good racing. E-Street MX was the site of the February ROM. The club had a good turnout and the results are presented blow. It is good to see Mushrush back in action!

February had several trail rides go off in Nevada one in the Pine Nuts and one in Moonrocks (Moonrocks is where the old-timers are sent to ride, because on the moon the lower gravity is easier on the body).

Watch your e-mail for more Pine Nuts rides to come and maybe even an overnight dual-sport to Bridgeport.

10x floating on the moon!

The PCGP pizza party was a load of fun, lots of good bench racing and a slide show of some random pictures of the PCGP taken by the chairman.

The 49er Family is taking shape the permit application was submitted and the flyer sent out for approval. Finisher pins are on order so get ready. May 7th and 8th are the event dates, no excuses to miss this one.

2009 PDMC Banquet

We had the 2009 year end banquet in February a good time was had by all. The highlights were Dave taking the award for 1x, Curt walking away with the 7x and the Activity award trophies (I want an official recount of the 25 work parties!), and Joe made for an entertaining year end review (although, at Joe's last party I noticed his clock was not working, when asked he responded that it burned it-self up, very strange!).

What a happy guy!!! Now his wife knows where all his money went.

Hail the 1x Champion

Ride of the month for March is the Phantom HS at Hollister. Hopefully we will have a good turn out and take home some trophies.

Club Dues:

2010 club dues for Active Members where due in January. Per rule I.7 of the Bylaws, they will increase \$1 per month as shown below. So get your dues paid or pony up more cash!

\$12 in March, \$13 in April (Last month to pay before being

dropped from the rolls)

On the LAO Front

No updates from Ray (LAO) this month. The club should consider adopting a trail in the Elkins Flat trails system as discussed by Ray in the February newsletter. If the club decides to adopt a trail we should try and coordinate it with 49er permit/process.

We do have an update from the ENF regarding our long term 49er permit. The ENF has decided to scale back our permit from 10 years to 5 years to be more consistent with CERA's permit (which is being contested). We are only a little behind CERA in the overall process and the FS says they are committed to the process and getting us a permit for this falls event (assuming we accept the cost).

There is a lot going on with regards to land use issues and OHV use. Get involved if you want to keep ridding at your favorite place. If you look deep enough you will find land use issues and OHV battles at your favorite riding place.
