From the Prez

Is the rain past and spring riding upon us? I have fresh knobs on both the YZ and XR just waiting to roost some of that moist springtime soil conditions! And those conditions will be at our rescheduled Doorbell set for Sunday March the 23rd. I hope my leg will be in shape to ride, if not, my next goal will be our annual Austin Nevada ride in June. It looks like our TBR contingent of club members is making a run for 1x this year. Their factory riders (Hayden, Ernie and Jim A) are occupying the top three positions in the 1x standings with the first two months in the books. Bruce and Bill are still wrapping up the PCGP but it looks like it was a success from all standpoints, the largest turnout ever in a D36 cross country event, good profit numbers even after renting 4 gators (5 next year?), and nothing but positive comments from everyone that attended. I think we have a good template for success that we will even improve on more for next year. For March and beyond we're hoping to continue the good "Ride of the Month" participation and look for a finish from Brent at the Baja 250 at the end of the month. Also, start planning for our next event on May 10 for our new tradition, "All Mother's Ride for Free" 49er Family enduro.

One final reminder from rule IV. 5: The competition vest or club jersey must be worn to receive credit for competing in or pitting at an event, or to redeem a ride incentive. If you don't wear your colors don't bother turning in the ride!

See you on the trails!
